

# Teaching Traditions in Anatomy Education in Central Europe: Some Numbers to Compare

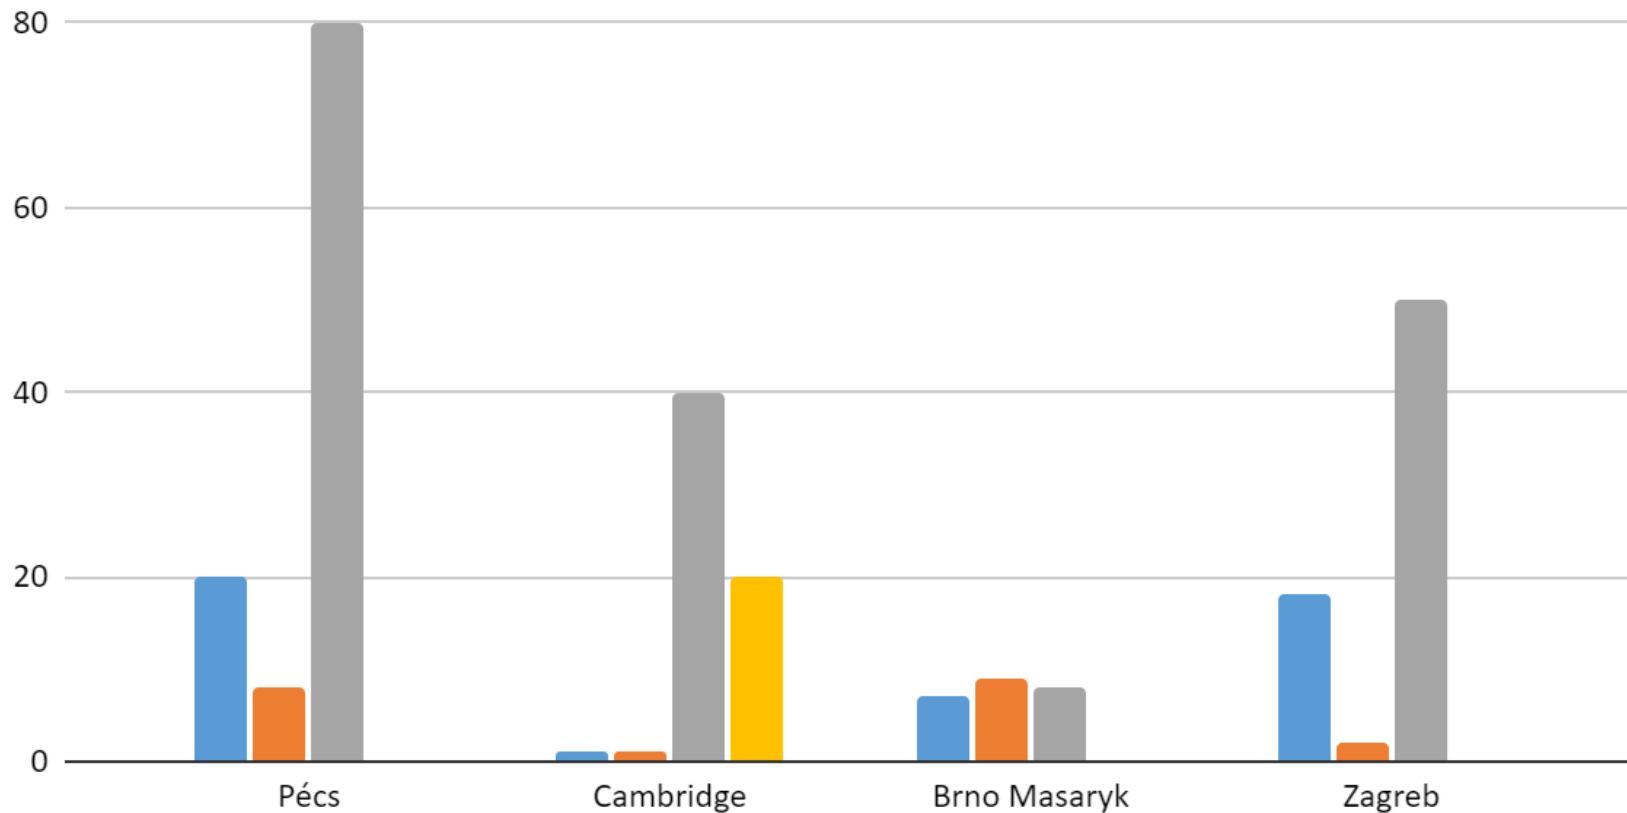

**Dr. András D. Nagy** - [andras.d.nagy@aok.pte.hu](mailto:andras.d.nagy@aok.pte.hu)  
Department of Anatomy, University of Pécs Medical School, Hungary

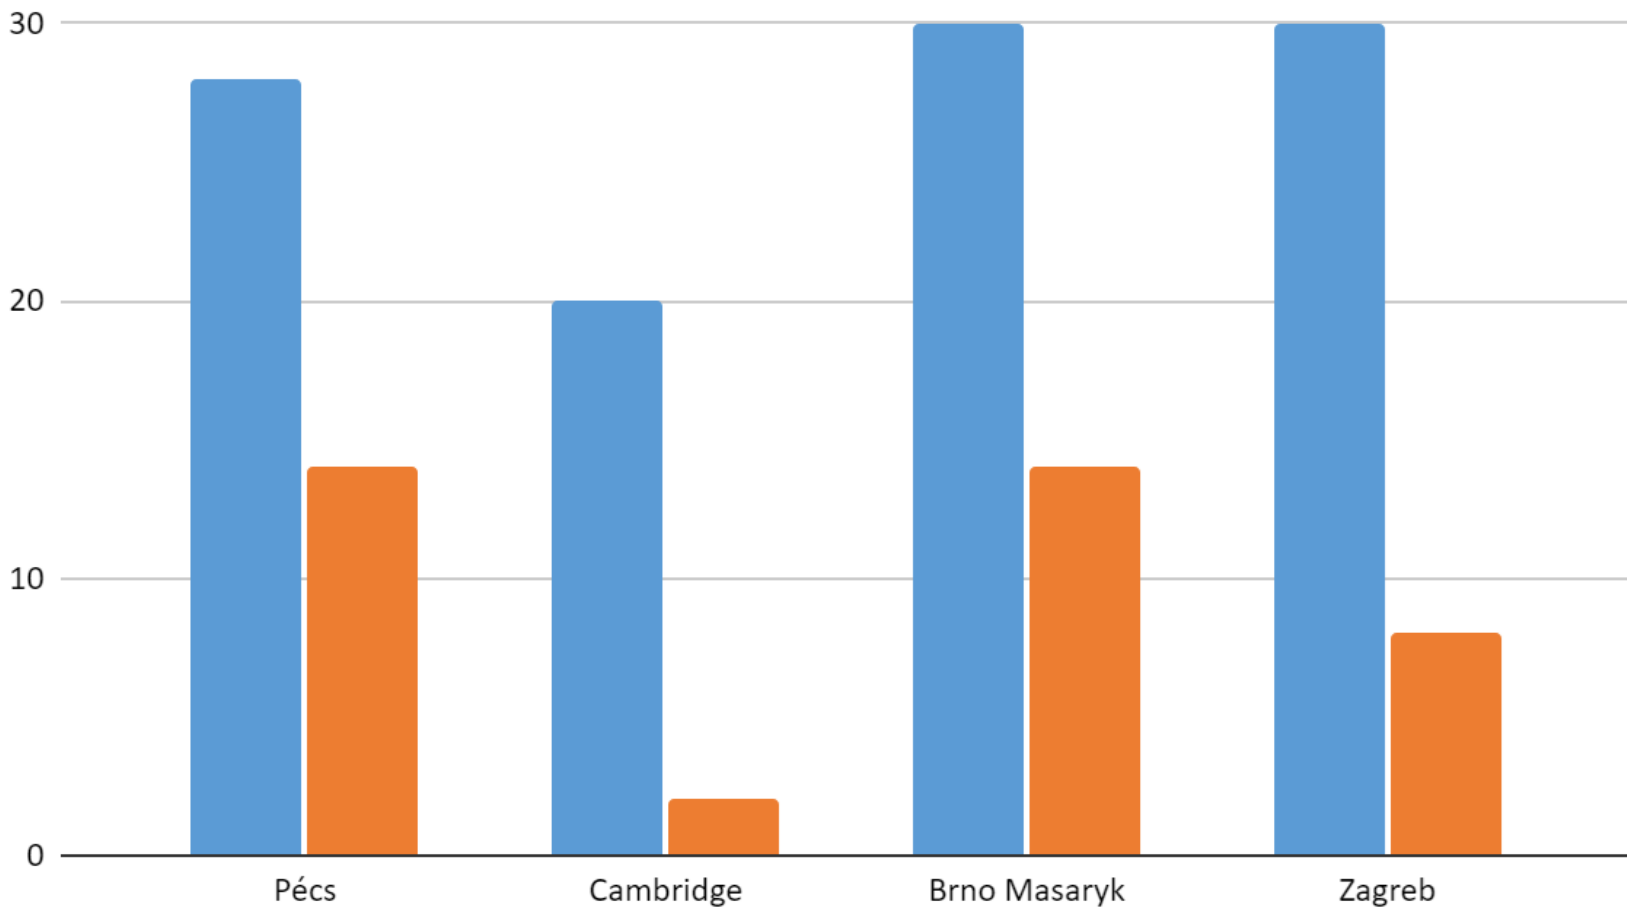

MUNI

■ Number of full time employed teachers   ■ Number of part time paid teachers (e.g. clinicians, researchers)  
■ number of demonstrators / unpaid teaching assistants / volunteers  
■ number of unpaid clinicians as demonstrators

■ number of teaching weeks per academic year    ■ number of exam weeks per academic year

■ Number of teaching hours per teacher per year    ■ total number of working days spent on teaching+exams, per teacher, per academic year
